Experience

- 2024 *For the Birds* - Designed a series of six banners featuring Roger Tory Peterson's illustrations. Signs are displayed in Cassadaga Park and Stockton Park. Illustrated raptor profiles inspired by Peterson's illustrations for banners. These pieces were designed through a grant obtained by the Mary E. Seymour Cassadaga Library and the Roger Tory Peterson Institute.
- Buffalo Audubon Society Spring Birding Challenge Patch* - Created a circular design to be featured as a patch, sticker, and on t-shirts for Outside Chronicles and Buffalo Audubon Society's Spring Birding Challenge.
- Katelyn Davis Art (since 2019) - Design products such as stickers, magnets and buttons. Create and manage social media content on a variety of platforms.
- Half Baked Cookies Social Media Manager (since October 2023) - Manage all social media channels (Instagram, Tiktok, Facebook) and design content to be used for marketing. Adhere to brand guidelines to design digital and printed materials. Design and send SMS and email marketing campaigns. Utilize Content Calendar and Analytics to plan and create content.
- 2023 *Buffalo Ornithological Society Maine Book* - Illustrated and wrote a handmade book detailing the birds and experiences of the July 2023 Buffalo Ornithological Society trip to Maine.
- Listen* - Illustrated, researched, designed, and wrote a book showing species interactions based on my time in the Chautauqua County State Forests.
